Product short description:

The Creative-Cables pendant lamp with Bell XL lampshade is the elegant and highly effective **pendel perfect for lighting a table or bar counter**, where you need to concentrate the light beam downwards.

This lamp is composed of a ceramic lampshade of important dimensions **made and decorated entirely in Italy**, combined with one of our colorful textile cables and our most beloved components.

Every finish of this lampshade is designed to allow you to **create the right atmosphere** in the interior you are decorating: choose glossy white for a clean and elegant effect or the blackboard version to give an original touch to your lamp, or choose the most original coatings, such as rust and cement, to create a perfect suspension for an industrial style environment.

This chandelier is ready to be installed by expert hands and you can buy it already **complete with bulb**: we have chosen for you the LED filament bulb Drop 8W Clear LED light bulb, but alternatively you can take a look at our assortment of LED design bulbs to find the one that best suits your style.

Product description:

Hanging lamp composed of:

100 cm di cavo 2x0,75 del colore selezionato

1 metal canopy of the selected finish

1 E26 smooth thermoplastic socket bianco

1 ceramic Bell XL lampshade of the selected finish ø 250 mm H 420 mm

Light bulb [DG-A60-CLEAR]: LED, E26, 60 mm, 3,8W, 2200 K, 136 Lm, dimmable

You can also purchase this lamp in the Matter-integrated version, for lighting control with your voice or the apps you already use regularly. Turn the lights on and off, create automations, and make your lights interact with other smart home devices easily and without the need for installation.

NOTE: If a wall switch is connected directly after the line cable, turning off the lamp will also cut off power to the Matter switch. Consequently, it will no longer be able to receive commands via voice or app. However, once the light is turned back on from the wall switch, the Matter switch will be powered again and resume normal operation.
