Product short description:

Jute is a plant-based, extremely versatile fabric fiber that exudes a rugged charm and adapts to any environment, making it warm and welcoming. This is why we decided to offer our Creative Flex in a natural shade.

This flexible and adjustable extension can be paired with terminals from the Flex collection and to all Creative-Cables roses and lamp holders. What sets it apart is the possibility to customise it as many times as you want by simply adjusting it with your bare hands!

Made in 3 different lengths (30 cm, 60 cm and 90 cm), the Creative Flex is extremely versatile: a core piece in a wall applique, table lamp, chandelier, to enliven the design of any living room, bedroom or kitchen.
