Product short description:

Give new life to your outdoor spaces with this two-light fixture that combines design, durability, and versatility. Perfect for illuminating gardens, terraces, and porches, it is suitable for wet locations, making it safe even in areas exposed to rain and humidity. The Unbreak-a-Ball shade, made from unbreakable material, enhances the ambiance of any outdoor space while also protecting the bulb from accidental impacts.

The shade features decorative openings that make it easy to open and close for bulb replacement and help prevent condensation during outdoor use.

The lamp is equipped with an EIVA socket and canopy, suitable for wet locations, designed and patented by Creative Cables. Thanks to its flexible structure, it can be easily shaped and adjusted to suit your needs. Available in multiple colors to match different interior styles, it is the perfect lighting solution that is both original and practical.
